

Supporting Parents and Families after a Stillbirth,
Neonatal Death, Miscarriage or Medical Termination

I'm Going To Tell You Something

I'm going to tell you something, I hope you'll never have to know. I'll tell you how a heart can break and tears can constantly flow.

I lost my baby girl, you see, an angel in my eyes. The Lord reached right down, took her hand, and led her to the skies.

Please don't ever tell me that time will heal my pain, because not even time will bring her back again.

Please do not forget my child, she was a person too, forever she will live, inside of me and you.

Just tell me that she's happy, in that land way up above, she's snuggled in an angel's wings, wrapped in mommy and daddy's love.
