Neonatal Death, Miscarriage or Medical Termination

## Grandparents Grieve Too

Some people may forget Grandparents grieve  
watch their children grieve  
And don't know what to do  
They try to make things better  
But sometimes it makes it worse  
Their grandchild should be driven home  
Not driven in a hearse  
They have not just lost a grandchild  
They watch their child in pain  
They hold it all together  
But their grief isn't the same  
To see your child hurting  
For the baby they have lost  
They want to take the pain away  
From those they love the most  
They speak words of encouragement  
From their wise words of wisdom In time you will get stronger  
And your child not forgotten  
Sometimes they might not show us  
The pain we want them too  
But I assure you they are hurting  
Just as much as you  
But themselves as a parent  
Feel they must stay strong  
Their own child is grieving  
And the process is long It's not a case of taking months  
It's a case of taking years  
But every step along the way  
They'll be there to wipe your tears.

-Natalie Calvert
