

Supporting Parents and Families after a Stillbirth,
Neonatal Death, Miscarriage or Medical Termination

An Angel Never Dies

Don't let them say I wasn't born, that
something stopped my heart, I felt each
tender squeeze you gave, I loved you
from the start.

Although my body you can't hold, it doesn't
mean I'm gone, this world was worthy not of
me, God chose that I move on.

I know the pain that drowns your soul, what
you are forced to face, you have my word, I'll
fill your arms, someday we will embrace.

You'll hear that it was "meant to be, God
doesn't make mistakes" but that won't soften
your worst blow or make your heart not ache.

I'm watching over all you do, another child
you'll bear, believe me when I say to you, that
I am always there.

There will come a time, I promise you, when
you will hold my hand, stroke my face and
kiss my lips and then you'll understand.

Although I never breathed your air, or gazed
into your eyes, that doesn't mean I never was,
An angel never dies.
