Additional Information

In order to progress your application, we MUST receive the following:

- A copy of the organisation's constitution, rules or objectives.
- A full break down of your Project/Research costs.
- A copy of your organisation's most recent financial statement.

You should be aware that in almost all cases where any of this information is missing, the Trustees are most unlikely to consider your application. However, if there is a particular reason why you are unable to supply any of these items, please explain the reason here:

In addition, you may wish to include some or all of the following in support of your Application:

- Annual Report
- Photographs
- Press Cuttings
- Any other supporting information

Please circle to indicate which of the above have been enclosed.

Signature of Applicant: _____
